

Our House *aged*

Rum

Our unique extra aged 10 year old rum old is distilled by Saint Lucia Distillers using both pot and column stills producing an aromatic fine spirit.

Following extensive aging in old Port barrels our premium rum is then aged at Cap Maison using the “Solera” aging system in single 10 liter white oak medium toasted barrels guarantying a consistent and superior quality.

Our fine island rum would be mixed with seasonal fruits & herbs, named by us “Cask Elixir”

We have molded the flavours of this long forgotten plantation pick-me-up into our very own classic cocktail expression served in copper.

Immerse yourself in everything that is Cap Maison and experience the Lucian promise of the exotic with our tribute to local handcrafted artisanal produce.

Rums

US\$ XCD\$

St Lucian Distillers "1931 Rum" * 3rd Edition St. Lucia 11 28

In the glass: Oak, vanilla, honey and more of that apparent port astringency from the first edition is back. The Rum feels creamy and has a tobacco and warming chocolate edge. In the mouth: There is something savory, almost buttery and salty. Red apples accompany the astringency along with grapes, red wine, oak and a little tart note. Again the finish is long and wrapped in port, vanilla and oak and it doesn't dry as much as the others. The aftertaste is smoky oak and that medicinal note.

St Lucian Distillers "1931 Rum" * 5th Edition St. Lucia 12 32

Its taste profile is pleasantly sweet, fruity, nutty, full-bodied, slightly wooden and slightly spicy with aromas of honey, ripe fruit, vanilla, caramel and oak. This rum convinces by high quality, as we are accustomed by the St. Lucia Rums. Again a feast for the nose and palate. Secure your copy of this strictly limited special series!

Admiral Rodney Rum* St. Lucia 13 34

In fact this is extra aged Bounty Rum; Pale amber, Chocolate, brown spice, caramel and earthy fresh cut flower aromas. A soft, round entry leads to a smooth, medium-bodied palate with caramel, ripe dried fruits, and rich brown spices, finishes with a lingering spicy wood.

Chairman's Reserve St. Lucia 6 16

Delicious heavily charismatic rum, lots of older pot still rum. Distilled from molasses it has a refined complex nose, well balanced with a great finish.

Chairman's Forgotten Cask St. Lucia 8 21

The rum provides a robust aroma of vanilla/caramel, baking spices, sweet raisins, and smoky oak. On the palate it delivers with a carefully balanced entry of dark caramel, honeyed dried pineapple, and raisins. As these flavors fade, smoked tones move in with notes of tobacco, leather, and charred oak that carry into the rum's long dry finish
